RELIEVING TEACHER SCHEME

**REACH... FOR ALL YOUR  
RELIEVING TEACHER NEEDS!  
0508 4 REACH  
0508 4 73224**

WCCCA has identified the growing need for **quality** early childhood relievers in Wellington. We have developed a scheme which we believe will assist in bridging the gap for centres in having relievers who can hit the ground running in a **professional** and **positive** manner. We have a strong team of relievers, a mixture of qualified, in-training and un-qualified teachers who are **committed** and **passionate** about the care and education of young children. We have structures in place to be constantly reviewing the indicators of a **quality** reliever, and the relievers will be involved in workshops and basic training focused on unpacking these indicators for them in a variety of early childhood settings. We believe that **relationship** is the key, and are committed as a scheme to build **solid** relationships with the centre staff as well as the relievers. We acknowledge that every early childhood centre is **unique** with it's own culture and environment. We endeavor to work alongside each centre under the **REACH** Scheme to best provide for their relieving needs.

Call Di Crosby at WCCCA for more information and details on how to join the REACH Scheme. Relievers available from February 2006.
