RELIEVING TEACHER SCHEME

**LOOKING FOR  
CASUAL RELIEVING?**

**ENJOY WORKING WITH  
YOUNG CHILDREN?**

**THEN WE ARE  
LOOKING FOR YOU!**

The Wellington Community Childcare Assn is looking for people to relieve in early childhood centres on a casual, day to day basis.

We have centres throughout the Wellington area and some travelling would be required.

We have developed a relieving teacher scheme (REACH) which we believe will assist in bridging the gap for centres by providing relievers who can hit the ground running in a professional and positive manner. We believe that relationship is the key, and are committed

to building solid relationships with our relievers and centres to best provide for both parties needs.

We require our relief teachers to complete a first aid course and participate in basic training on being a quality reliever.

Opportunities for ongoing professional developed are also offered.
